Saturday 19th July

Is your garage bursting with spare bicycle parts that "might be useful one day"?

Are your family having to share a bedroom because you've got
so much cycling stuff that it's taken over the house as well?...

If so, why not reserve a table-top at the cycle jumble and see what you can sell
(and buy some more bits and bobs while you're there...)

Fee for table top to sell your stuff: £5*

Don't have anything to sell?

Whether you're in search of that particular component
or just on the hunt for a bargain,
come along to browse and buy.

Free entry*

CCC club kit will also be on sale.

Or just come along for a sociable Saturday morning chat with your club mates

Tea, coffee and cakes will also be on sale*

Non club members welcome!

***Money raised from table fees, refreshments & donation bucket at entrance
will go to MAGPAS:**

<http://www.magpas.net/>

But you keep what you make from your table!

**Please contact me ASAP to reserve a table-top
(also contact me if you can't make it but have stuff to sell-
I can arrange to sell it on your behalf)**
